

VULNERABILITY TO VIABILITY
GLOBAL PARTNERSHIP

V2V Thematic Webinar Series 2021

V2V Thematic Webinar Series is an initiative of the V2V Global Partnership to facilitate and generate high-level discussions on vulnerability and viability themes and topics within the context of small-scale fisheries. It aims to feature academics, policy practitioners, and members of the civil society, who have made significant contributions to the theoretical, practical, and policy aspects of small-scale fisheries both locally and globally.

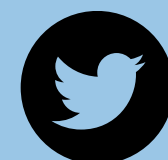

V2V Thematic Webinar Series takes place on the last Friday of every month through 2021. The Series will be available internationally through live streaming on YouTube. Details regarding the monthly webinars including speakers, exact topic and title, and links to webinar platforms will be available at <https://www.v2vglobalpartnership.org/news-and-information>.
